Mahone MS Band
FREE After School Lesson Program

On Wednesdays, beginning October 7th, you are encouraged to take part in **FREE small group lessons**, after school, from **3:15-4:15 pm**. Lessons will be given by talented music professionals from the Kenosha/Milwaukee area who specialize in your child's instrument. This opportunity is only available to grade 6. The value of having smaller group instruction on a musical instrument is immeasurable. You will see benefits not only in your child's playing skills but in their confidence, motivation, and practice habits.

By signing up for this opportunity, you are committing to being at your scheduled lesson every week, faithfully. Teachers will be paid so please be sure to be there so our money is not wasted.

You will be responsible for obtaining a ride home after the lesson.

*In order to be enrolled, the bottom portion of this slip must be returned **NO LATER than Friday, October 2nd**, to take part in this **FREE opportunity!***

Be sure to get yours in!! Keep the top portion or mark October 7th and all Wednesdays there after on your calendar ☺ **The only week's we will not have lessons are those Wednesdays that are early release days and vacation days.**
